There are six questions on the licensing exam application that when answered in the affirmative require the individual to receive approval from the Board of Registration of Cosmetology and Barbering prior to taking the exam. This pre-approval process can take anywhere from 3 to 6 weeks up to 5 or 6 months, depending on the given situation. Most people get the approval within 3 months. Those questions are as follows:

- Do you hold or have you held a professional license in any jurisdiction?
- Has any disciplinary action been taken against you by a licensing board in any jurisdiction?
- Are you the subject of pending disciplinary action by a licensing board in any jurisdiction?
- Have you ever voluntarily surrendered a professional license to a licensing board in any jurisdiction?

- Each applicant must interview with an admissions representative to determine the suitability of the applicant for the program.

transfer students

Credit for subjects completed in an approved similar school or program must first be approved by the Massachusetts Board of Registration of Cosmetology and Barbering. Once approved, an evaluation is conducted by Academy faculty on those completed subjects to determine if the approved credit will be applied. The transferring student must provide proof of education/training from an approved/licensed institution and furnish Rob Roy Academy with an official school transcript stating clearly both the number of hours the student has earned as well as all exam scores, prior to setting up a date for evaluation.

Rob Roy Academy does not nor will not actively recruit students attending or admitted to another school offering a similar program of study.

equal opportunity enrollment and employment

Rob Roy Academy does not discriminate on the grounds of race, creed, religion, color, handicap, ethnic origin, sex, age, or political affiliation.

handicapped policy

Rob Roy Academy complies with the Rehabilitation Act of 1973 (section 504). We do not discriminate on the basis of handicap in the admission or recruitment of students, however manual dexterity is required.

Student Services

Reenrolling/Reentering Students

It is our wish that all of our students become successful graduates, this includes students that may have had to withdraw from school for any number of reasons. To be eligible for re-entry the student:

- Must satisfy any previous tuition and/or overtime balance owed to the school.
- Must meet with an Admissions Representative and complete the admissions process again.
- Must have rectified the issue which caused the program withdrawal.
- Must have a clear plan for completing their program.

Once completed, the application along with the student's record as well as testimony by school staff and faculty, will be given to the Admission's Board, who will then make the final decision about reentry into the program. *Please note: students will only be allowed to re-enter a program once.

placement assistance

Rob Roy Academy's placement policy is to provide employment assistance to graduates regardless of the date of their graduation. Rob Roy Academy does not guarantee employment or specific salaries upon graduation.

student advising

All instructors and staff personnel are available to each student for career, academic, and personal advising. The advising is sincere, friendly and confidential when applicable.

tutoring

Available for students who need additional instruction. See your instructor for an available time.

graduation

In order to graduate from Rob Roy Academy students must:

- Successfully complete the program's hours
- Meet the Satisfactory Academic Progress Policy of the Academy
- Pay any outstanding overtime/penalty fees
- Satisfy any tuition obligations not already arranged for

Rob Roy Academy holds a cap and gown graduation ceremony once each calendar year for graduates of all programs. Each student is awarded a diploma at the completion of his/her training program.

student evaluations (progress reports)

Evaluations are performed a minimum of two times during the student's program, but may be done more often at the discretion of the instructor. Instructors are encouraged not to exceed one evaluation per month, unless a student is in danger of failure and subsequent withdrawal from the program.

grading system

Academic work is evaluated and grades are assigned in order to indicate a student's level of performance. Grades are based on the quality of student's work as shown by dedication, written tests, class projects, and outside assignments. The meaning of the grade notations are:

90-100% - above Average - A

80-89% - Average - B

Below 80% - Failing - F

All written exams are graded by the above grade notations.

Practical work is graded during practical exams using the grade notations above.

Students must maintain an average of 80% (B) or higher on all written and practical exams to satisfy the Academy's Satisfactory Progress policy as stated in this catalog as well as in the Student Handbook.

attendance and tardiness

Interruption of theory class is never allowed. Any students who are late for class may not enter class until the end of theory or when class is scheduled to break.

Students are only allowed to be tardy (late to school) twice per month. They will not be allowed to enter class until after theory is complete but may stay for the remainder of the class. Students who are tardy a third time in a month will not be allowed into class at all that day.

Although no absences are excused, missed hours can be made up during regular school hours beyond the student's regularly scheduled class. Students must complete their regular scheduled class in its entirety prior to making up time (evening students must have completed their previous evening class).

Missing more time than allowed may result in overtime/penalty fees of \$12.50 per hour missed if the student fails to make up the hours missed in the time allotted.

makeup work

All work missed due to absences must be made up within one week, or at the discretion of the instructor depending on the subject matter. Exams not made up in the allotted time may receive a zero.

Administrative Policies

Rob Roy Academy reserves the right to change school policies and procedures without prior notice – however, once any changes are made notification to school staff and students will be made.

Tuition rates are subject to change, although students enrolled under specific tuition rates will have such rates honored. The school reserves the right to cancel any class which does not have the minimum number of five students enrolled.

student records

Student records are maintained by the school in permanent files. The Family Educational Rights and Privacy Act [FERPA] is a Federal law that protects the privacy of students and their education records. It gives parents certain rights with respect to their children's education records and those rights are then transferred to the student when they reach 18 or attend a school beyond the high school level. Rob Roy Academy will not release any information about any of its students without prior authorized written consent from the student or parents/guardian of the student if student is a dependent minor, with the exception of the following: school officials with legitimate educational interest, other schools to which the student is transferring, specified officials for audit and/or evaluation purposes, appropriate parties in connection with financial aid to a student, organizations conducting certain studies for or on behalf of the school, accrediting organizations, to comply with a judicial order or lawfully issued subpoena, appropriate officials in cases of health and safety emergencies, and state and local authorities within the juvenile justice system, pursuant to specific State law.

A notice will be placed and maintained in a student's file listing to whom personally identifiable information is disclosed and the legitimate interest they had in obtaining the information.

Students and/or Parents of dependent minor students have the right to review their education record. To do so, submit a request in writing to your school administrator. The record will be made available for viewing within 10 business days of receipt of the request.

transfer of credits

Students who are concerned with entering another school and transferring credit for programs completed in this school should first inquire at the school they plan to attend to determine whether such credits will be considered transferable. Rob Roy Academy cannot assure such transferability.

grounds for termination

A student may be dismissed from Rob Roy Academy for the following reasons:

- a) Failure to meet the Academy's satisfactory progress policy (as outlined in the school catalog).
- b) Failure to attend classes for fourteen calendar days.
- c) Failure to return to school immediately upon the end of a leave of absence.
- d) Failure to meet tuition and payment requirements.
- e) Failure to comply with the Academy's rules of conduct.
- f) Violation of the Academy's policies on Drugs, Alcohol, or Weapons.

*A student shall be given written notice of the reason for termination and will be provided an opportunity to appeal for reenrollment.

rules of conduct

Rob Roy Academy is proud of the caliber of its students and graduates and in keeping with that has established rules of conduct that must be followed at all times. All students are expected and required to conduct themselves in an appropriate manner while in school and in the classroom. Behavior which distracts and detracts from the learning environment is considered unacceptable.

Exhibiting the following behavior will result in a student's suspension from school for the remainder of the day and an Advisory posted on their Academic Record:

- Using inappropriate and/or vulgar language.
- Engaging in an inappropriate and/or disrespectful conversation.
- Causing a disturbance and/or distraction in the classroom.
- Refusing a task, assignment, or client given by your instructor(s).
- Disrespectful attitude and/or behavior to academy staff or faculty.
- Calling, answering, or texting on a cell phone while in class or on the clinic floor.

*Note: failure to comply immediately with or arguing about a suspension can result in the suspension being extended for multiple days.

Exhibiting any of the following behavior may result in a student's termination (expulsion) from school:

- Being under the influence of drugs or alcohol while in school.
- Possession of alcohol or illegal drugs while in school or on school property.
- Possession of a firearm, knife, or similar weapon while in school or on school property.
- Physical violence toward another student, employee or guest of the school.
- Verbally or physically threatening another student, employee or guest of the school.
- Harassment of another student, employee or guest of the school.
- Supplying fraudulent information or documents to the school, especially to gain entry into school.
- Stealing or attempting to steal the property of another or the property of the school.
- Willfully or intentionally damaging or destroying school property.
- Receiving a 5th Advisory on their Academy Record.

financial aid assistance

Rob Roy Academy is qualified as an eligible institution by the United States Department of Education to participate in federal and state financial aid programs. Students are encouraged to apply for financial aid prior to the commencement of their program.

financial information

The Academy's tuition cost for each course of study and the cost of equipment and texts are listed in this catalog. The student or Guarantor agrees to pay the Academy the total cost of tuition, equipment, books, sales tax and fees on the first day of attendance at the Academy unless other arrangements have been made with the Financial Aid Department. Along with student aid and loans, the Academy accepts payment in the form of checks, money orders, and credit/debit cards. The Academy reserves the right to initiate an Interruption of Studies for any student whose tuition account balance is not current. The student will not be allowed to resume classes until the account is brought up to date.

leave of absence policy

A leave of absence (LOA) is a temporary interruption in a student's program of study. Rob Roy Academy students may be granted up to four (4) one-week personal leaves of absence. Medical leaves of absence will be considered and approved on a case by case basis, only after all required medical documentation has been provided.

When granted, a leave of absence will extend the student's contract period and maximum time frame by the same number of days in the leave of absence. A contract addendum is completed, signed and dated by all parties to reflect the leave and the changes it made. A leave will not change the level of satisfactory progress the student has at the time of the leave and Rob Roy Academy will not assess any additional institutional charges as a result of any approved LOA.

All requests for a leave of absence must be submitted in advance, in writing, including the reason for the request, with the student's signature. A leave of absence may be granted if an unforeseen emergency prevents a student from requesting a leave of absence in advance. However, the student must notify Rob Roy Academy to document the reason for the leave as soon as possible and send in documentation verifying the emergency along with their request for a leave as described above. If granted the beginning date of the approved LOA would be the first day the student was unable to attend school due to the emergency.

Please note:

- Leave of absences will be granted only when there is a reasonable expectation that the student will return.
- Only requests of an emergency nature will be granted to students still in the introductory phase of their program (see attendance section of the student handbook for introductory phase descriptions).
- Any student granted an LOA that meets the above criteria is not considered to be withdrawn, and no refund calculation is required at that time.
- The current leave of absence request coupled with all other leaves of absence a student has taken, cannot exceed 180 days in any 12 month period.

Not returning from a leave of absence when scheduled will result in the student's termination from Rob Roy Academy. The withdrawal date for the purpose of calculating a refund is always the student's last day of attendance. In the case that the student is a Title IV loan recipient, failure to return to school from an LOA can affect their student loan repayment terms, including the expiration of some or even all of the student's grace period for repayment, depending on the length of the leave.

refund policy

Any applicant not accepted to the Academy, shall be entitled to a refund of all monies paid, and this contract shall become null and void.

A. Massachusetts State Refund Policy (As per M.G.L. Chapter 255, Section 13K)

1. You may terminate this agreement at any time.
2. If you terminate this agreement within five days you will receive a refund of all monies paid, provided that you have not commenced the program.
3. If you subsequently terminate this agreement prior to the commencement of the program, you will receive a refund of all monies paid, less the actual reasonable administrative costs described in paragraph 7.
4. If you terminate this agreement during the first quarter of the program, you will receive a refund of at least seventy-five percent of the tuition, less the actual reasonable administrative costs described in paragraph 7.
5. If you terminate this agreement during the second quarter of the program, you will receive a refund of at least fifty percent of the tuition, less the actual reasonable administrative costs described in paragraph 7.
6. If you terminate this agreement during the third quarter of the program, you will receive a refund of at least twenty-five percent of the tuition, less the actual reasonable administrative costs described in paragraph 7.

7. If you terminate this agreement after the initial five day period, you will be responsible for actual reasonable administrative costs incurred by the school to enroll you and to process your application, which administrative costs shall not exceed fifty dollars or five percent of the contract price, whichever is less. The administrative costs equal: \$50.00.

75% - 100% of program	= 100% charge

- b. Enrollment Time: is defined as the time elapsed between the actual starting date and the date of the student's last day of physical attendance in the school. Any monies due the applicant or student shall be refunded within 30 days of formal cancellation by the student, or formal termination by the school, which shall occur no more than 14 calendar days from the last day of physical attendance, or in the case of leave of absence, the date of withdrawal shall be the earlier of the date of expiration of the leave of absence or the date the student notifies the institution that they will not be returning.

- C. Equipment and Text Books are non-refundable: once accepted, books and equipment cannot be returned and the student will be responsible for full payment of the items received.
- D. Program Cancellations: if a program is canceled prior to the student's actual start date, the student is entitled to a full refund of all monies paid. If a program is canceled after the student starts the program, or if the school is permanently closed and no longer offering instruction, the student is entitled to a State Policy refund, for Title IV students Federal regulations still apply.

**The refund calculation process as well as Return to Title IV calculations (where applicable) will begin immediately upon determination of a student's withdrawal, officially or unofficially, from their program. Any monies due will then be refunded within the next 14 calendar days.*

withdrawal from program

For a student to officially withdraw from their program they must submit a letter of withdrawal stating their reason for withdrawing to a school official.

Actual Hours: the hours the student was actually in class.

Maximum Time Frame: the maximum amount of time allowed to complete the course. Failure to complete your program hours within that time will result in termination from the academy and a status of withdrawn. That amount is set for each program and is broken down by program below as well as by schedule in the following section:

Program/Course	Course Hours	Penalty/Overtime fees price per hour	Maximum Time Frame = 143%
Cosmetology	1000 Hours	\$12.50 (per hour)	1428 Hours
Barber Styling	1000 Hours	\$12.50 (per hour)	1428 Hours
Esthetics	600 Hours	\$12.50 (per hour)	857 Hours
Manicuring	100 Hours	\$12.50 (per hour)	142 Hours

Maximum Time Frame in Weeks:

Program (s)	Schedule	Daily Hours	Days a Week	Course in weeks without Absences	Maximum Time Frame in Weeks
Cosmetology & Barbering	Full-time	6	5	33.33 Weeks	47.6 Weeks
Cosmetology & Barbering	$\frac{3}{4}$ -time	5	5	40 Weeks	57.12 Weeks
Cosmetology & Barbering	Ft-Evening	4	4	62.5 Weeks	89.25 Weeks
Esthetics	$\frac{3}{4}$ -time	5	4	30 Weeks	42.85 Weeks
Manicuring	Part-time	4	2	12.5 Weeks	17.75 Weeks

Attendance Progress: students are required to attend a minimum of 70% of the hours scheduled in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. Attendance progress is determined by dividing the student's number of actual hours by their number of scheduled hours. For example, the student is scheduled to attend class 6 hours per day, 5 days per week. At the conclusion of 2 weeks (10 school days) the student will have accumulated 60 scheduled hours. The student missed 1 day of school and only accumulated 54 actual hours. The student's attendance ratio is 54/60 giving them an attendance average of 90%. At the end of each evaluation period, the school will determine if the student has maintained at least 70% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

Grade Point Average (GPA)

Academic Progress: a student must maintain an 80% grade point average in order to be considered to be maintaining satisfactory academic progress. The student's GPA will be determined at specific intervals during your program as stated above and is determined as follows: practical exam average + theory exam average divided by 2 = GPA. All exams are scored with a numeric grade and their equivalencies are as follows:

90 - 100	Above Average	= A
80 - 90	Average	= B
Below 80	Failing	= F

Non-credit and extra-credit work: all work that helps a student to be successful in completing and passing each lesson is encourage, however they are not graded and have no effect on a student's GPA.

Retake Exams: all failed exams must be retaken to attempt a passing score. Theory exams that are of a practical nature must be retaken until a passing score is achieved. Only the first three grades received will affect the student's GPA.

Practical Clinic Work: work completed by students in the clinic is supervised, reviewed, and corrected but not scored as it is considered work in progress. All students are encouraged towards continuous improvement of clinic services.

Determination of Progress Status: Students meeting the minimum requirements for attendance and academics at the evaluation point are considered to be making satisfactory progress until the next scheduled evaluation. The completed evaluation will be reviewed with the student and a hard-copy given upon request. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

Warning: students who, at the time of evaluation, fail to meet the minimum requirements for attendance and academic progress are placed on warning and are considered to be making satisfactory progress during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period the student has still not met both the attendance and academic requirements, he/she may be placed on probation, and if applicable, deemed ineligible to receive Title IV funds.

Probation: students that are not achieving satisfactory progress at the end of the warning period can appeal the negative status determination. Only students who prevail upon appeal will be placed on probation and they will be considered to be making satisfactory progress while on probation. Additionally, only students who have the ability to meet the satisfactory academic progress policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet the requirements within the plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. If at the end of the probationary period, the student has still not met both the attendance and academic requirements they will be determined as NOT making satisfactory academic progress and, if applicable, deemed ineligible to receive Title IV funds.

Re-establishment of Satisfactory Academic Progress: Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the probationary period. In other words, students would be able to re-establish SAP by attending school every day, making up any missed time allowed, and by achieving higher scores on their exams.

Interruptions, Leave of Absences, Course Incompletes, and Withdrawals: If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as when they left. The leave of absence will extend the student's contracted graduation date and maximum time frame by the same number of days taken in the leave and will not be included in the student's cumulative attendance percentage. Students who withdraw from school prior to the completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. Please note: the Massachusetts Board of Cosmetology and Barbering determines the number of hours a re-enrolling student receives from a previous enrollment.

Appeal Procedure: If a student is determined to not be making satisfactory progress, the student may appeal that negative status determination within ten (10) calendar days. Reasons for which students may appeal a negative progress determination include the death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

Noncredit, Remedial Courses, and Repetitions: Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

Transfer Hours: With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and completed hours as it relates to exhausting maximum time frame and not as part of their satisfactory progress evaluation, as SAP evaluation periods are based on actual contracted hours only.

Rob Roy Academy Complaint Procedure and Policy

In keeping with our school's mission statement and purpose Rob Roy Academy will make every attempt to resolve any complaint that is not frivolous or without merit. This procedure and policy is and will continue to be reviewed and included in the new student Orientation program so that all students will know the steps to follow should they feel the need to do so.

A copy of any complaint as well as the complaint's resolution will be retained in the school files indefinitely.

1. The student must submitted the complaint in writing to the School Manager within 45 days of the incident in which the complaint occurred.
2. The complaint should clearly outline the allegation or grievance.
3. A school representative will meet with the complainant within ten (10) business days of receipt of the written complaint. This meeting will be documented and the complainant will be provided a copy of the written record at the conclusion of the meeting.
4. In cases of extreme conflict, it may be necessary for the school to appoint a complaint committee to review the complaint. This committee will consist of at least three members; one member of the school who has had no direct involvement in the dispute, one member of the school who is extremely familiar with the policies, procedures, rules and regulations of the school, and one additional member which can be a staff member, a member of the public (not related to the student), or another non-affected student.
5. This committee will meet within fifteen (15) business days of being appointed to review the complaint and its allegations. If more information is needed from the complainant a letter will be sent requesting the additional information. If no further information is needed and all requested information has been received, the committee will have fifteen (15) business days to make a recommended resolution for the dispute.
6. The school may accept, modify, or reject the recommended resolution. The student will be notified in writing of the school's final decision.
7. If the complainant wishes to pursue the matter further, they may contact Rob Roy Academy's Accrediting Agency (listed below) to request a complaint form.
